Best man wedding speech toast is the most sought after wedding gift that the couple looks forward to in their wedding as it is one memorable moment that is treasured for a lifetime! Wedding speeches accompanied by best man wedding speech toast complete the wedding festivity as it marks the blessing of God as well as the good wishes of everyone present at the wedding.

The best man is entrusted with multiple responsibilities during the course of the wedding that include planning the bachelor's party, selecting the groom's wedding suit, finalizing the church and inviting the guests among many other roles that he is required to perform. One of the most dreaded roles of the best man is to deliver wedding speeches that not many are confident about! However, a quick review of the following essential points may prove handy in overcoming stage-fright while raising a wedding toast to the newly wed couple, thus entitling him to some great bestman gifts.

1. The best man must not forget to address the gathering, the bride and the groom as well as their parents and should begin his speech with an introduction about himself. He must thank all the gathered people for their gracious presence in being a part of the wedding festivities.
 2. The groom's man must then state some good things about the couple relating to their pre marriage dating, their relationship, common likes and dislikes and how their relationship has evolved in due course. It is essential to maintain composure while delivering the speech and one should try not to quote instances that the couple may feel uncomfortable and embarrassed about. Quoting funny not humiliating instances is a good idea. Also the best man must try not to be extremely verbose, just as much that ensures the interest of the listeners does not fade away.
 3. Keeping the wedding speech short and brief is a great idea. The guests must not feel disoriented and are engaged all through the speech delivery. Interesting wedding speech quotes from websites can be used to make the speech light-hearted and entertaining.
 4. While discussing the couple, the best man must remember to discuss both the groom and the bride with equal weightage, lest he runs the risk of sounding biased.
 5. At the end of the speech, best man wedding speech toast must be raised with a glass of champagne to the well-being and prosperity of the couple. Blessings of God and all those present at the wedding must be requested so that the bride and the groom are blessed with happiness and good health. While closing the best man wedding speech toast, the best man must congratulate the couple on embarking upon their new and not-so-discovered journey!
- So if you are looking forward to receiving fabulous bestman gifts, make sure that the best man wedding speech toast is one that the couple remembers and cherishes for a lifetime!
